

Budapest, 2008/03/12

Hello Everybody,

This year we are very lucky because Obata Kasio has possibility come to Europe three times. May in Netherland, July in Hungary, September in Germany. I think this is a great possibility for serious Shinkendo/Aikibujutsu students to meet with him and for us to meet with each other and learn straight from Kaiso many times in this year.

I would like to inform you about the Hungarian Seminar details.

I would like to invite every Shinkendo and Aikibuken instructors and students to Hungary for the

We have possibility to take the lunches in the really good restaurant near from the training hall about 2.000.- HUF it's about 7 – 8 Euro (the price of the menu including a soup and a dish with mineral water).

The address of trainings (same like last year):

Veresegyhaz, Fabriczius Jozsef Altalanos Iskola, Mogyorodi ut 5-7.

This is a basketball hall, (540 squeremeter) .

Location:

From Budapest by car M3 highway to the EXIT Gödöllő (26 km stone) and turn left to Veresegyhaz.

Veresegyhaz is a small town to the North-East from Budapest (30 kilometer). In the town you can find a SPA (front of the training hall), swimming pool and a bear and wolf farm, some good restaurants and pubs. The public transport from Budapest and back is really good and simple by train or car. I prefer for everybody stay in Budapest and travel to the place of the training everyday, because the capital is more interesting and really nice. The railway station is in downtown of Budapest and the training hall is about 10 minutes by walk from the Veresegyhaz train stop. I cannot booking any hotel in Budapest because the summer season is very busy, but everybody can find byself the best possibility in the internet (for example: www.hotels.hu).

But if somebody wants to stay in Veresegyhaz please write me and I try to accommodate a few rooms in a pension there and stay and sleep in the dojo is also available (it's 1000.- HUF/night is 4-5 Euro/night) but here sleeping bag need it.

Obata Sensei will stay in Veresegyhaz.

If you have any question please, don't hesitate to ask me.
